(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's representative and Examiner discussed the notice of non-compliant amendment mailed 9/10/2008. Applicant's representative notified current Examiner that the previous Examiner did not examine the correct set of claims, and that this issue was addressed with the previous Examiner. The present Examiner of record discussed the case with her SPE and a SPRE. It was concluded the the correct set of the claims (original) were the Article 34 amendment claims. Therefore, the notice of non-compliant was incorrect. Applicant's representative will resubmit previous claims and arguments..
